

PHOTOGRAPHY

GUIDELINES

Monmouth Arts' Teen Arts Festival

Photography Guidelines:

- Students will be adjudicated individually.
- All photography students will be adjudicated during one time period for each school, depending on the number of entries from your school.
- Individual Students will be adjudicated with other Individual Students.
- Visual art educators **MUST** be responsible for labeling each entry, using the Visual Art Labels from Monmouth Arts. TWO labels per entry: one attached to the work and one for display. Unlabeled student work *does* get lost; please do not let that happen to your students' work.
- No more than 20 student works from each school. Space is limited.
- Photography will be displayed along the hallways, on the painted corkboards in the arts building, directly next to any 2D or 3D visual art from the same school.
- The maximum time period per school that the schedule can accommodate is 45 minutes.
- In collaboration with Monmouth Art's Creative Expressions Arts & Wellness program, our theme this year is *Unzip Your Mind*. We all have thoughts and feelings we would like to let go of and remove from our daily narrative. As we continue to open ourselves up to acknowledging these negative emotions and releasing them artistically, we are able to leave more room for positivity and growth!
- As schools check in on set-up day for photography, Sandy Riddle will be working with art educators to select pieces for the themed Exhibition—to be held in a separate room in the Center for Visual Arts building. This themed show will have a student vote for "People's Choice."
- Students selected for the themed show will still be adjudicated with their school; teachers should inform the adjudicator that one student work is in the themed show. After all other students have received evaluations, the school should move to the themed show room for the last student evaluation before dispersing.
- The NJ State Teen Arts Festival will be held in Spring 2023 on May 30th, May 31st and June 1st. 2D, 3D and Photography are eligible for nomination. Four 2D works will also be chosen for the statewide touring exhibition through the NJ State Teen Arts Festival. Those four pieces will tour the state for one full year.
- Photography may be selected for EITHER a featured exhibition OR the NJ State Teen Arts Festival. The state selections will happen first, followed by featured exhibition selections. No one piece of artwork will be included in both shows.
- Artwork selected for an exhibition opportunity will have a permission slip hung next to it. The slip must be signed DURING the festival and left on the bulletin boards for Sandy to pick up. If slips are not signed at that time, they can be taken back to the school and emailed/faxed/mailed back to Sandy at the Monmouth Arts office.

Entries:

- Consider 11”x14” to be the standard size. If you have student work that is slightly larger, that’s fine. If you have student work that is *much* larger, please contact Sandy Riddle for accommodations.
- No glass frames. Plexi or matted frames only. Frames are not necessary but are allowed.
- Photographs taken from all types of cameras are acceptable.
- Traditional and digital photography are welcome. Manipulations of photos are acceptable.

SET-UP and TAKE-DOWN:

- Art Educators are required to set up their students’ work on TUESDAY, MARCH 14 between 10am and 4pm in the Center for Visual Arts building on the Brookdale Community College campus in Lincroft.
- Sign-in with Sandy Riddle when you enter the building. She will show you to your school’s exhibition location.
- You must label each piece with the Monmouth Arts labels. Each artwork will have one label attached to back or bottom and one label for display. *Work does get lost if you don’t label work or labels fall off. **Monmouth Arts is not responsible for lost, stolen or damaged works of art while on display at Brookdale Community College.**
- Teachers will display student work with clips that hang on thumbtacks. Schools will provide their own clips and thumbtacks.
- ****Visual Art MUST stay up for the duration of the festival—taken down on Friday 3/17 between 1:30pm-3:30pm.**** Even if your school is only attending on Thursday, all visual art is to remain on exhibition for the two full days of the festival. We have media coverage of the festival and new students to experience the work on Friday as well. Huge gaps in the exhibition on Friday will not be tolerated. Please respect the experiences of the festival and allow all students to view the work and not be disturbed by teachers taking down art while others are still be evaluated. Thank you for your cooperation.**
